

e-Grad School

<https://www.atn.edu.au/industry-collaboration/e-grad-school>

Who we are

A virtual graduate school providing support in the development of generic professional skills in Higher Degree Research students so they enter the workplace employer, innovation and industry ready.

What we offer

Flexible, moderated , online modules.
Research development and employability/transferrable skills.
Self-select modules based on skills gaps
Cross-disciplinary discussions.
Networking with peers from around Australia.

How it works

Modules run for 5 weeks online
3 to 5 hours a week per module required.
Choose a time that suits you to participate.
Highly qualified moderators facilitate interaction.
Successful participants receive a certificate of completion.

Cost /contact

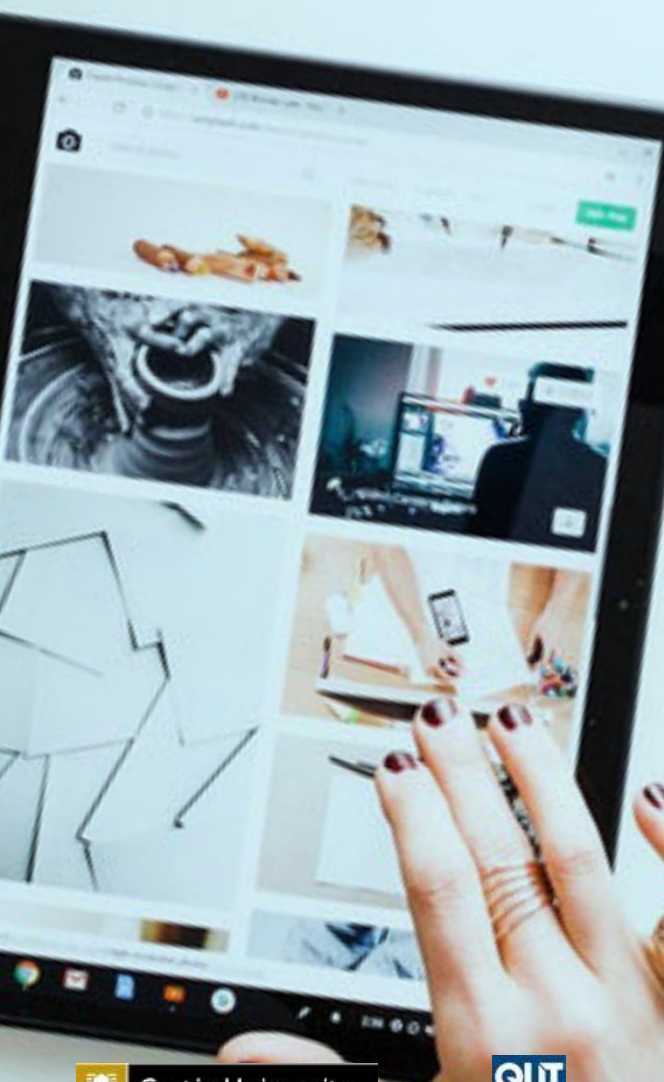

Free for Australian Technology Network (ATN) students

(Curtin, QUT, RMIT, UniSA, UTS)

Email: egsacoordinator@qut.edu.au
